Re: Dockets 12-94, 06-0229
Ex parte communication pursuant to Section 1.1206 of the Rules

Dear Madame Secretary:

The Bay Area Regional Interoperable Communications System Authority ("BayRICS Authority") hereby summarizes a meeting among PSHSB Deputy Chief Jennifer Manner, Special Counsel Erika Olsen and Brian Hurley, Chief Counsel, Policy and Licensing Division, and BayRICS Authority representatives Nick Miller and Jim Hobson. Also in the meeting for the FCC were Behzad Ghaffari, Rasoul Safavian and a summer intern, Alex Lurie.

The BayRICS Authority representatives reviewed the special features of the application filed by San Francisco, San Jose and Oakland December 23, 2011, and the expectations expressed there that BayRICS would become a successor in interest to any waiver grant and attendant lease rights for 700 MHz public safety broadband spectrum now statutorily assigned to the new entity known as FirstNet. Also discussed was the state of the record in the referenced dockets for all the waiver grantees.

Sincerely,

A handwritten signature in blue ink, appearing to read 'James R. Hobson', written over a circular blue ink stamp.
